A Note From Dr. Chris

Dear Parents & Guardians,

As you know, the School conducts several fire drills, throughout the year, as required by NYS law for the health and safety of our students. In addition to fire drills, we are mandated by New York State to conduct "Lockdown Drills" over the course of the school year.

We recognize that the thought of Lockdown Drills can create anxiety for parents. While we all wish there was no need for such drills, we also realize that appropriate practice is important for the safety of the students in our care. Please know that the faculty and staff will manage these drills and their students in a sensitive way. The grace with which we, the adults, handle these potentially stressful situations will send a strong and powerful message of confidence to the students. Should you have any questions, please do not hesitate to reach out.

Wishing you a happy and safe Holiday Weekend and Spring Break!

Sincerely,

Dr. Chris Rogutsky Bleecker
