

## Suffolk

### Long Island High School for the Arts

#### 2021/22 Tuition Incentive

Districts that currently send students to the Long Island High School for the Arts (LIHSA) will receive a discount on all students if they increase the number of students (above their December 2020 enrollment) that they send in 2021/22, even if it is only one additional student.

For each additional student – up to three additional – the district will receive a 3% discount on all enrolled students. For example, if your district enrolled three students in December 2020, and you send four students in 2021/22, you will receive 3% off all four students' tuitions. If you increase to five students, you will receive 6% off all five students' tuitions. You can receive up to 9% off all students' tuitions by sending three or more additional students.

Tuition	→	→	\$15,382	\$14,921	\$14,459	\$13,998
	Enrollment 2020/21	Enrollment 2021/22		+1 Student (-3%)	+2 Students (-6%)	+3 or more Students (-9%)
District 1	3	4		\$59,684		
District 2	3	5			\$72,295	
District 3	13	17				\$237,966

#### New participating districts - Suffolk

School districts that did not send students during the 2020/21 school year will pay the full tuition for the first student that you send. However, you will receive reduced tuition rates for all students once you send at least two students.

Tuition	→	\$15,382	\$14,921	\$14,459	\$13,998
	Enrollment 2021/22	1 Student	+1 Student (-3%)	+2 Students (-6%)	+3 or more Students (-9%)
District 1	1	\$15,382			
District 2	2		\$29,842		
District 3	3			\$43,377	
District 4	4				\$55,992
District 5	13				\$181,974

The Actual December enrollment from the preceding year will be used as the base number to determine discounts annually.
