Congratulations to 2022-2023 Long Island Arts Alliance Scholar-Artists Benjamin Schlaich, Brianna Smith and Annalise Taylor.

Administered by Long Island Arts Alliance, seniors who are selected as Scholar-Artists must demonstrate the highest level of artistic excellence, as well as superior academic achievement (a grade point average of 90 or above). Candidates are evaluated based on performances, a portfolio of their work and a written essay about how the arts have enriched their lives. Winners are chosen by a committee of arts educators and other professionals, with the final selection being made by a separate steering committee.

Out on the Town

Free Concert

MOVIN' OUT BAND starring Wade Preston is performing a free concert on 9/18 at 5 pm as part of QPAC's free concert series. Bring a chair and enjoy a tribute to Billy Joel in Fort Totten Park, Bayside (Totten Ave & 15th Rd). Rain date 9/24, 5 pm.

Did you know that Wade Preston performed in a Broadway Supports LIHSA concert in November 2016? Here's a photo of the cast with creatives/producers Jerome Vivona and Stephen DeAngelis and a second one of the same evening that includes LIHSA staff and then-current students who participated in the show.

Opportunities for Students

Looking for Social Media Content Creators for LIHSA Social Media accounts! Seeking 1 students from each department at LIHSA to help capture and curate social media posts. If you are interested, please reach out to Lindsay (Lrogan@nasboces.org) by September 28th.

Community theatre performance opportunity:

A short play - Penance - will be presented at the New York Theater Festival this Fall by Levittown Teachers Ms. Michelle Guisto and Mr. Watson Miller.

They are casting a male actor to depict a college freshman. This particular role is a quintessential "boy-band/Frat-brother" type. He is a good person deep down but can be very superficial.

If interested, please contact Michelle Guisto at mgiusto23@gmail.com

Celebrating Arts in Education Week

National Arts in Education Week is an annual national celebration recognizing the transformative power of the arts in education. Passed by Congress in 2010, the celebration is designated to bring attention to this cause for elected officials and educational decision makers across the country and to support equitable access to the arts for all students. This year it is celebrated nationwide September 11 – 17, 2022.

At LIHSA, every week is Arts in Education Week because everything we do is in service to our mission - preparing our students to pursue their passion and for careers in the arts. Our CTE programs provide the right balance of technical training and work-based learning experience to truly prepare our students for where ever their journeys in the arts will take them!
